

CONVERSATION STARTERS

Your Child and Technology

The following conversation starters are designed to facilitate an open discussion about your child's technology use, sources of conflict, and ways to overcome media-related conflict. These are suitable for primary and secondary aged children, and are a great starting point if you are unsure how to approach this particular topic area.

Ask your child the following questions. You may wish to write down their answers, or your child may wish to write their answers for you.

WHAT DO YOU VALUE ABOUT TECHNOLOGY? WHY IS IT IMPORTANT TO YOU?

WHAT DO YOU THINK I WORRY ABOUT THE MOST WHEN YOU USE TECHNOLOGY?

WHAT ARE SOME WAYS WE CAN REDUCE THIS WORRY?

WHAT DO WE ARGUE ABOUT THE MOST WHEN IT COMES TO USING TECHNOLOGY?

WHAT DO YOU SUGGEST FOR US TO OVERCOME THIS TYPE OF CONFLICT?

IF THERE WAS ANYTHING YOU WOULD WANT TO LET ME KNOW ABOUT USING TECHNOLOGY, WHAT WOULD IT BE?
